GREB IS SUSPENDED BY N. Y. BOXING COMMISSION (Special to the Bulletin).

New York, July 18—Harry Greb, of Pittsburgh, light heavyweight champion, and his manager, George Engle, were indefinitely suspended today by the New York boxing commission from further participation in bouts in this state because Greb has not signed a contract to box Dave Rosenberg, as he was directed to do.

More than a month ago the commission banned Johnny Wilson, the Philadelphia champion, from the state, because he had not come to terms for a match with Greb for his title. Wilson's crown was declared vacant and the winner of the Greb-Rosenberg match was promised official recognition of 'world's middleweight champion'.

With Wilson, the original titleholder, and Greb, the original challenger both pronounced passes, the commission today offered to name the first contender of Rosenberg the champion, although contending that Rosenberg does not now hold the title.

First must defeat the first acceptable challenger who supports a formal duel with a forfeit of \$2,500.

Greb is the third world champion to be barred from this state, Wilson and Johnny Kilbane, of Cleveland, the featherweight king—excluding New York—being the others. Greb, however, does not suffer the loss of the light-heavyweight crown, as Wilson and Kilbane, neither Greb nor Wilson can now box in this state, thought Kilbane can—as a featherweight contender.
